Lesson Plan of B.A. IInd year (IIIrd sem.)

Subject: Geography

Paper: Geography of India

Month	Topics: Physical divisions & drainage systems
July	Watershed of major rivers on map - P
Aug	Climate, Soils, Natural Vegetation. - T Major crops, green revolution, canals-tubewells. Land use pattern (pie chart) occupational structure. (pie chart) - P
Sept	Population: distribution, density, growth, Sex ratio, literacy, work force - T choropleth and dot method } P Pyramid diagram
Oct	Language and religion, Production-Distribution of iron ore, coal, petroleum, hydro, solar thermal - T Major Industrial region (cartogram) } P Rainfall deviation diagram (last 20 years)
Nov.	Industries: iron-steel, sugar, Cotton, Transport, Communication - T cropping intensity, irrigation intensity - P (bivariate method)

Dept. of Geography

Lesson Plan of B.A. IIIrd (Vth Sem)

Sub: Geography

Month	Topics
July	Nature & scope relations - branches - T Principle of map design - layout - P
Aug	Economic activities, world natural resources — T Point, line, area symbol — P
Sept	Natural resources conservation Distribution of rice - wheat, cotton - sugarcane, Tea, rubber, coffee. — T Lettering - deformation, map construction - P
Oct	Coal, Iron, Petroleum, natural gas, Industries: iron steel, Textile — T Distribution of maps — P
Nov.	Transport, Trade, Communication - T Compass survey — P

Lesson Plan of ~~B.A.~~ B.Sc. 1st sem

Sub: Geography

<u>Month</u>	<u>Topics :</u>
July	Physiography & relief of Haryana
Aug	Climate, Drainage, soils and natural vegetation of Haryana
Sept	Agriculture Major Industries of Haryana
Oct	Population: distribution, density, growth ' composition, literacy
Nov.	Trade - Transport cultural regions of Haryana

Def. 
of: Geography

Lesson Plan of ... B.Com IIIrd Sem

Subject: Geography

Paper: Resource geo. of India.

Month	Topics
July	Agriculture environmental technology. Factor affecting Indian agriculture & dry land agriculture Distribution of net sown area India - M - P
Aug	Distribution & production of rice, wheat, Tea & Sugarcane, water resources — T Irrigated area - choropleth method — P
Sept	National water mission & policy: Jal Shakti Abhiyan — T Minerals: iron ore - Bauxite. — P Trend food grain production — P
Oct	Non-metallic minerals: Mica, limestone Energy resources: coal, petroleum. — T Time series analysis — P
Nov.	Non-conventional energy resources: solar & wind — T Conventional, Non Conventional energy using — P
